Steps to Account Linking:

1. Search inbox `hi@seatgeek.com` in your email, be sure to check spam or clutter  
   *If the email is a work-related account check to see if their IT department has the email 
   being blocked from coming into their account*
2. Click on the “connect account to SeatGeek” button

3. Will take you to SeatGeek: either sign in to your personal SeatGeek account or create a 
   SeatGeek account by clicking “sign up with email” *Do not sign up with Facebook*

4. Once either creating a new account or signing into SeatGeek click “connect” and you are 
   all set on connecting your current Glitnir account to the new SeatGeek account manger
